LONG TALK OF GREAT POCAHONTAS

May Hall, P. P., No. 37

Hunting Grounds of Rockville
Reservation of Connecticut
21st Sun, Traveling Moon, G. S. D. 440.
Common Era, October 21st, 1931.

To the Great Chiefs, Representatives and Members of the Great Council:

GREETINGS:

Another short year in the history of our beloved Order in Connecticut, has swiftly rolled by. We are gathered here today to unfold the records of our success or of our failures. As Great Pocahontas of this Great Council, I extend to every dear one of you the warmest fraternal greeting.

To our Worthy Past Great Pocahontases, your presence is an inspiration to us in the work that lies before us, we rejoice that you are here and welcome you most heartily.

To those of you who have met with us during the past Gt. Suns, and to those of you who meet with us today for the first time, your coming is indeed a pleasure and I warmly bid you welcome. To the absent ones from around our Council fire today, we miss you and regret you are not here, and we send our warmest greetings to you.

When one year ago, in making me your Great Pocahontas, you placed in my hands a most sacred trust, I deeply realized that great honor carried its grave responsibilities as well as its rare opportunity. I pledged myself to unselfish and loyal service in the cause of our beloved Order, asking in return your loyalty and co-operation. And you, I know, have done your best. I have given time and the best that was in me to the work so near and dear to my heart. As you review the work of your Great Pocahontas you may feel that she has earnestly tried to serve you as best she could, and she hopes, that some good at least has been accomplished.

"We have come at last to the end of the year,
When our records we lay bare;
Whether little or much, on the page of the year
We'll find it recorded there."
"I know that we have tried to do our best,
So why should we feel ashamed,
If the record does'nt show what we hoped it would.
We know that at least we aimed."

In Memoriam

The Great Spirit in the past Great Sun has called many of our beloved Sisters and Brothers to the Happy Hunting Ground.

Our hearts go out in sincerest sympathy to those who grieve and so deeply feel their loss. We deeply sympathize with all Brothers and Sisters who have suffered the loss of some dear one this past year. Would that our heartfelt sympathy could soften their sorrow or dry their tears. Then let us pause a moment to pay silent tribute to all who have passed out to the life beyond.

Correspondence

All letters received I have personally answered. All questions answered and rendered as correctly and wisely as I could in accordance with our Laws.

Dispensations

I have received requests for and was able to grant eighty-three Dispensations. I would ask Councils when writing for Dispensations to include Wampum to cover same, with request. In so doing you save your Great Pocahontas the unpleasant duty of having to write, asking for the necessary Wampum.

State of Order

I am happy to report Councils in very good condition. There are still a few weak Councils that need help and encouragement. They are in need of assistance and some one to properly instruct them in the procedure of business of the Order.

Visitations

I am grateful for the kind invitations sent me during the past Great Sun. I have visited different Councils many times. Was able to make all scheduled Visitations with one exception, on account of illness was unable to trail to Iona Council, No. 28 of Stafford Springs with Great Chiefs for Official Visit—this disappointment was somewhat offset by the fact that I had the opportunity of trailing to visit this Council before and after the Scheduled Visit. I have thoroughly enjoyed and deeply appreciate the many dinners and entertainments given in my honor by the various Councils. The many lovely gifts and beautiful flowers, will ever be my most precious treasures to think of, in the years to come, with love and appreciation that words now fail to express. I only wish that I could tell you how much I appreciated the many kindnesses that I have received, the many courtesies and attention that have been accorded me during the year.

"So much you have given me my friends,
Your helping hand and smile;
Your friendship and your trust and love,
Have made this year worth while."

District Meetings

Several District Meetings have been held, at which time twenty-eight Past Pocahontases and Past Sachems presented themselves for instructions into our Great Council Degree.

Appreciation

I wish most sincerely to thank our beloved Great Keeper of Records, Sister Harriet M. Wright, for the loyal co-operation and help that she has given me through the year. She has been ever willing and ready to assist me in every way possible, and I deeply appreciate her many kindnesses.

To the Elected and Appointed Great Chiefs and Deputies and Committees, who have so loyally co-operated with me and assisted me in the work, I am indeed grateful for their kindly attention.

To the Members of the different Councils who have so faithfully trailed with the Great Chiefs I deeply appreciate your interest, and your help and encouragement will always be a pleasant memory.

To Past Pocahontas Henrietta F. Driggs whom I found ever ready and willing to take up the trail and assist me in any way, I shall always remember with grateful appreciation.

To my own Council Kehow, No. 37 whose love and loyalty has helped me at all times, I am indeed grateful.

"The hours we have spent together, friends,
We'll live o'er and o'er again,
For we know, each one is a golden link
Clasped close in Friendships chain."

Recommendations

That Brothers of the Councils, outside of their rights as members, should not interfere with the Sisters in conducting the business of their councils, they should not criticize our living up to the Laws of our Great Council—or request coming from the Board of Great Chiefs. No requests are made, that are not necessary, and in strict accordance with our Laws.

That we start this coming Great Sun by setting aside all personal feelings and grievances. Be sure you know and understand your Fraternal Sisters and Brothers before passing on to someone else unkind words. Try to remember your Obligation and our lesson learned "That an act of Kindness no matter how small shall return itself an hundred fold." Try to practice charity toward all, and remember, words sometimes carelessly spoken cause many a broken heart, and wounds so deep, that they never heal. Bear ever in your mind what we have been taught, and truly it can be said that "*True* friendship is the sweetest tie that the Great Spirit has given to make pleasant the Hunting Grounds of earth."

Conclusion

My years work as your Great Pocahontas is finished, the record of the year lies open before us, and nothing recorded there can be rewritten or recalled. I have tried to be loyal and true to the sacred trust reposed in me, and have tried to guard its honor well, I have at all times tried to do my duty faithfully and without partiality, fear or favor, I have earnestly tried to live up to the beautiful teachings of our Order and uphold its high and lofty ideals, I most sincerely hope that I have not failed. As I turn the Tomahawk of authority over to my most Worthy successor, I trust that you will give to her the same loyal co-operation and assistance that you have me, and I know that she will serve you loyally and faithfully. Again thanking each one for the many kindnesses and services rendered me throughout the year, I want you to know that for many reasons I could name This, to me, has been my happiest year.

Lovingly and gratefully yours in F. F. and C.,

MARY W. HALL,
Great Pocahontas.

LONG TALK OF GREAT WENONAH

NELLIE JACKSON, P. P., No. 26

Hunting Grounds of Rockville
21st Sun, Traveling Moon, G. S. D. 440.
Common Era, October 21st, 1931.

To Great Chiefs and Representatives and Members of the Great Council of Connecticut:

GREETINGS:

My term as your Great Wenonah is about to close and I take this opportunity to express my thanks to all the Councils for the courteous and cordial greetings and hospitality extended to me for this term and also for the Past Great Suns. If elected to Great Pocahontas I hope to have the co-operation and loyal support of all members during the coming Great Sun.

It is not what we take but what we give to our order that makes it successful.

May the Great Spirit bless you all.

Fraternally in F. F. and C.,
NELLIE JACKSON,
Great Wenonah.

LONG TALK OF GREAT PROPHETESS

MARY E. JOHNSON, P. G. P., No. 1

Hunting Grounds of Rockville
Reservation of Connecticut
21st Sun, Traveling Moon, G. S. D. 440.
Common Era, October 21, 1931.

To All—

GREETINGS:

As I realize how soon this Great Session will be over it also brings to me a feeling of regret as I pass out of the Great Prophetess' Chieftaincy. The Past Great Sun I have not been able to meet with you at all in person—in thoughts our meetings have been many. I shall be with you all today, as I have been the past term. At this time I want to again give thanks to all my Sisters and Brothers for their loving thoughts and kindly deeds and trust that the Kishow Manitow will keep us all until we are again permitted to meet.

In F. F. and C.
Your own,
MARY JOHNSON,
Great Prophetess.

To Great Chiefs, Past Chiefs and Members of Degree of Pocahontas, Improved Order of Red Men:

GREETINGS:

Sisters and Brothers:

Once more the finish of another term's work is at hand and I will submit for your approval a report of the year now ending.

To our Great Pocahontas Mary Hall let us give her a lot of credit for her untiring efforts to bring about a gain in membership, altho our figures do not show a gain. I feel that we really made a gain—altho our figures show a loss.

The spirit that the majority of Councils have shown in trying to give Great Pocahontas a gain for her term deserves a lot of praise but again might I remind you that without the united support of all Councils we cannot accomplish our aims—"One loose brick has caused the downfall of many a castle."

Herewith follows the Numerical and Financial Statements of our Councils from 1st Sun, Buck Moon, G. S. D. 439 to 30th Sun, Hot Moon G. S. D. 440. Financial Statement for Great Council for Term of 1st Sun, Traveling Moon, G. S. D. 439 to 30th Sun, Corn Moon, G. S. D. 440.

Our adoptions for term were 88 more than last Great Sun, am sorry to report that our suspensions were 26 more.

We are obliged to take a loss of 43 due to errors discovered in three Councils.

If each Keeper of Records and Collector of Wampum would compare figures at each meeting there would be fewer mistakes and reports would be very easy to make out at end of each term.

In conclusion, I want to assure the members of the Great Council that I have filled this Chieftaincy to the best of my ability. I have had the pleasure of making thirteen official visitations at my own expense, and have received courteous treatment from all members.

And:

"Whatever of success is mine,
The greatest share is surely thine.
You have helped me on my way.
My thoughts and thanks to you each day."

Respectfully submitted in Freedom, Friendship and Charity,

ANNA L. STIRK, P. P.

Great Keeper of Wampum.

"With noiseless tread death comes on man:
No plea, no prayer delivers him,
From midst of busy life's unfinished plan,
With sudden hand it severs him,
And ready or not, no delay,
Forth to his Judge's bar he must away."
